

BROWARD COLLEGE FOUNDATION

We believe every person who is determined to change their life through the pursuit of higher education should be afforded that opportunity.

Established in 1971, the Broward College Foundation is a 501(c)(3) nonprofit organization and the officially designated means of making private, charitable contributions to Broward College. Its purpose is to change lives through education by providing community awareness, advocacy and funding to the College. The Foundation's volunteer Board of Directors works closely with the College's Office of Advancement to raise money to support scholarships, academic programs and learning facility enhancements. We believe providing the opportunity education makes possible to those who can benefit from it the most is crucial to our community's future.

Scholarships

The Broward College Foundation serves as the conduit of private contributions to the College. Each year the Foundation provides more \$3 million in scholarship funds to the College through the generosity of individuals, families, foundations, companies, and organizations. Scholarships are available for students with financial need and merit awards are available for students with outstanding academic records.

Scholarship recipients are strongly encouraged to assist the Foundation in its fundraising efforts by participating in the stewardship process and crafting well-written letters of appreciation to their donors. This simple act of courtesy means a great deal to our benefactors and encourages additional support.

Endowed Teaching Chairs Program

The Broward College Foundation was the nation's first community college foundation to complete an endowed teaching chair capital campaign to recognize, support and encourage the efforts of outstanding professors in their classrooms. The campaign was initiated to honor the college's 30th anniversary with a goal of 30 chairs. Today the program has 37 chairs, and more than 240 professors have been named recipients.

Meritorious Service Awards

Periodically, Broward College and the Broward College Foundation recognize individuals for their outstanding leadership, service, and philanthropy to the college. The College recognizes their efforts with the following awards:
