

# DISTRICT BOARD OF TRUSTEES

---

The Broward College District Board of Trustees brings together community leaders with wide-ranging backgrounds who provide dedicated leadership to the College and its activities. The Governor of the State of Florida appoints this group of outstanding local citizens. As the governing board of the College, they are the stewards of Broward College's commitment to excellence, while they guide the College and implement the goals enumerated in their mission statement. Their desire to provide students with the academic skills needed to transfer to four-year colleges and universities, to enhance skills to be competitive in the rapidly changing job market, and to offer opportunities for continuing education, personal growth, and enrichment is a challenge they approach with enthusiasm. As a team, these dynamic community leaders are fully engaged in providing a future that offers increased higher education opportunities for Broward County residents.
