

# INFORMATION TECHNOLOGY, BACHELOR OF APPLIED SCIENCE - PROJECT MANAGEMENT (AS GRADUATE)

**Program Code:** T300E AS

**Career Pathway:** Science, Technology, Engineering, and Math

**Location(s):** Courses for this program are not offered at all BC locations. (<https://www.broward.edu/about/locations/>) Program specific courses may vary by Campus. This program is also offered fully online. Please consult the course schedule semester for locations.

**Program Entrance Requirements:** Minimum AA, AS or AAS degree (from a Regionally Accredited Institution) and 2.0 out of 4.0 GPA in all previous post-secondary work. Students with 60 credit hours but not holding a degree may be admitted to the program upon approval of the Associate Dean or Dean if the AS General Education requirements have been satisfied and all other criteria are met.

**Program Description:** The Bachelor of Applied Science Degree in Information Technology – Project Management provides individuals who hold an Associate degree the opportunity to further their education. Students completing this program will have the skills and knowledge required to become successful Information Technology Professionals and Leaders. The curriculum offers a learner-centered and practical approach to understanding and applying Computer Information Technology.

**Special Admissions Requirement for BAS Program:** An application is required for this program to be completed and can be found here ([https://broward.my.site.com/apply/TX\\_CommunitiesSelfReg/?startURL=%2Fapply%2FTargetX\\_Portal\\_PB#applications](https://broward.my.site.com/apply/TX_CommunitiesSelfReg/?startURL=%2Fapply%2FTargetX_Portal_PB#applications)).

**Foreign Language Requirement:** Students must successfully complete the foreign language requirement as prescribed in college policy and the college catalog. You can find further information on the foreign language requirement here (<https://www.broward.edu/admissions/testing/foreign-language-competency.html>).

**General Education Courses:** Will vary based on a student's transcript. Total General Education credits must total 36 as outlined in the catalog.

**Program Competency:** Once admitted, students must complete 15 credits of program pre-requisites during their beginning semesters. Program pre-requisites are pre/co-requisites to all program courses.

Course	Title	Credits
CTS1133C	A+ COMPREHENSIVE	4.00
CIS1513C	PROJECT MANAGEMENT	4.00
ISM2308C	AGILE FUNDAMENTALS	4.00
ISM3013C	INFORMATION SYSTEMS MANAGEMENT	3.00

1. Associate of Science
2. Information Technology, Advanced Technical Certificate 4283
3. Project Management, Advanced Technical Certificate 4289
4. Information Technology, Bachelor of Applied Science - Project Management (AS Graduate) T300E AS

<sup>1</sup> Students must complete the General Education (<https://catalog.broward.edu/programs-study/aa-general-education-graduation-requirements/>) requirement. If a student has completed the requirements through the A.S. program, students are recommended to complete CGS1510C (<https://catalog.broward.edu/search/?P=CGS1510C>) EXCEL DATA ANALYSIS, ISM3545C (<https://catalog.broward.edu/search/?P=ISM3545C>) DATA ANALYTICS TECHNOLOGIES ET11622 (<https://catalog.broward.edu/search/?P=ET11622>) CONCEPTS OF LEAN AND SIX SIGMA, ISM4318C (<https://catalog.broward.edu/search/?P=ISM4318C>) AGILE PRACTITIONER, ISM4547C (<https://catalog.broward.edu/search/?P=ISM4547C>) DATA ANALYTICS MANAGEMENT, or upper level (UL) course beginning with CET, CIS, CNT, COP, CTS, ETI, GEB, ISM, MNA, MAN.

<sup>2</sup> ISM3545C (<https://catalog.broward.edu/search/?P=ISM3545C>) DATA ANALYTICS TECHNOLOGIES is recommended or students may complete an IT internship or take an approved elective from an upper level (UL) course beginning with CET, CIS, CNT, COP, CTS, ETI, GEB, ISM, MNA, MAN.

<sup>3</sup> Students must complete the General Education (<https://catalog.broward.edu/programs-study/aa-general-education-graduation-requirements/>) requirement. General Education Wellness and General Education Science Lab is recommended but students may take any General Education course to satisfy this area. If a student has completed the requirements through the A.S. program, the student may choose from the list of approved recommended program electives below

#### Notes:

In addition to the courses marked, students must also complete additional credits, to earn the corresponding Advanced Technical Certificate(s) as indicated by its program of study to achieve the **Total Credits**.

Students must satisfy the Digital Literacy requirement by testing out, completing a Credit for Prior Learning portfolio, or passing CGS1060C COMPUTER AND INTERNET LITERACY.

In accordance with Florida Statute and Florida Administrative Code, students may need to satisfy the Civic Literacy Graduation Requirement. Visit the Civic Literacy Graduation Requirement page at [broward.edu/civic-literacy](https://students.broward.edu/resources/civic-literacy/) (<https://students.broward.edu/resources/civic-literacy/>).

**Students are strongly encouraged to meet with an advisor (<https://students.broward.edu/resources/advising/>) to create a personalized educational plan.**

## PROGRAM HIGHLIGHTS

### CREDIT FOR PRIOR LEARNING

Accelerate your path to completion with these options:

- Credit by exam
- Earned industry certifications
- Prior Learning Assessment
- And much more...

### RELATED INDUSTRY CERTIFICATIONS

Upon completing this program, graduates will be eligible to sit for the following industry certifications/licenses:

Cloud+ | CIW JavaScript | Project+ | CIW E-Commerce | Security+ | Adobe Photoshop | Network+ | PMP | CySA+ | ICP | Linux+ | PMI-ACP | A+ | CAPM | SSCP | CISSP | ICP-APO | CIW Advanced HTML | CSS3 | MTA: Windows Server Administration Fundamentals

### GET AN INTERNSHIP

After completing your first year of coursework make sure to visit Employment Solutions (<https://broward.edu/career/>) for internship opportunities and helpful tools like virtual job shadow, to help take your career to the next level!

- Get an Internship (<http://broward.edu/studentresources/career/Pages/Find-a-job-or-internship.aspx>)
- Virtual Job Shadow Tool (<http://www.broward.edu/studentresources/career/Pages/default.aspx>)

### MEDIAN WAGE AND JOB GROWTH OUTLOOK

Broward College has Career Coach (<https://www.broward.edu/careercoach/>)! It is designed to help you find a good career by providing the most current local data on wages, employment, job postings, and associated education and training.

### FUND YOUR EDUCATION

This program is Financial Aid (<https://www.broward.edu/admissions/financial-aid/>) eligible. Scholarships (<https://www.broward.edu/admissions/financial-aid/scholarships/>) may be available.

## Program Learning Outcomes

Graduates from this program will:

- Graduates will summarize the properties of a project and classify project roles and responsibilities.
- Graduates will be able to troubleshoot routing protocol EIGRP.
- Graduates will implement and manage authorization mechanisms.
- Graduates will be able to configure IPv4 and IPv6 addressing. May include but is not limited to configuring IP options, subnetting, supernetting, alternative configuration.
- Graduates will be able to read and configure a routing table.
- Graduates will articulate the core concepts of Kaizen (People, Product, Process).
-
