

# ACCESSIBILITY RESOURCES: SERVICES FOR STUDENTS WITH DISABILITIES

---

Broward College complies with the Americans with Disabilities Act of 1990, as amended in 2008 (ADAAA), and Section 504 of the Rehabilitation Act of 1973. These laws guarantee disabled students the opportunity to participate in all courses, programs, and activities that the College offers. Accessibility Resources (<http://www.broward.edu/accessibility/>) works directly with students with disabilities, who choose to self-identify, to facilitate the provision of appropriate individualized accommodations as stated in College Policy 6Hx2.509 ([http://www.broward.edu/legal/policies-and-procedures/\\_docs/policy/6hx2-5.09.pdf](http://www.broward.edu/legal/policies-and-procedures/_docs/policy/6hx2-5.09.pdf)). For more information, contact the Accessibility Resources office that serves your campus:
