

FINDING AN INTERNSHIP OR JOB

If you are looking for an internship or a job, register for Handshake (<http://broward.joinhandshake.com/login/>), the College's online job board. Internship and employment opportunities are posted to Handshake and designed specifically for you. Handshake is a powerful tool for your internship and job search needs! With thousands of employers posting jobs on the platform, taking time to understand Handshake's search functionality will help you identify the best jobs for you. You can search by job role, industry, geographical location, if the job is on-site or remote, full-time, part-time or an internship, and many other criteria. We suggest you add the feature to receive emails or text notifications for new job listings based on your search criteria.

Other resources such as career exploration, resume assistance, mock interviews, and career-related events are also available on Handshake and on the Employment Solutions website (<http://www.broward.edu/career/>). Employment Solutions is your one-stop-shop for getting job-ready and making meaningful career connections with employers who are looking to fill internships, part-time, and full-time positions with talent from Broward College.

Pro tip: Internships are one of many helpful career exploration tools. To get started with career exploration, we encourage you to use the Career Coach tool (<http://broward.lightcastcc.com/>) we offer to all students. This tool allows users to complete career assessments and discover in-demand careers and majors aligned to Broward College academic programs. Additional tools available through this resource include a resume builder and guidance for translating military experience to civilian careers. It also provides access to real-time information about job demands in Broward, Palm Beach, and Miami-Dade counties, career-specific salary projections, and the related degree programs available at Broward College.
