

LIBRARIES

Broward College Libraries offers three physical libraries and a Virtual Librarian to provide academic and virtual support for programs of study.

At the University College Library, a joint-use facility with FAU at our Central Campus, students use their student ID cards to borrow materials and use services. Students visiting the North and South Campus libraries or county branch locations affiliated with our Centers use their Broward County Library public library cards to check out print materials. All BC students at any location will use their MyBC student logins to access electronic resources. To access electronic resources (eBooks, journals, articles, newspapers, videos, and more) 24/7, visit the Broward College Libraries homepage (<http://ucl.broward.edu>), or sign in through your Desire to Learn (D2L) course shell. Some of the services provided at the library include:

- Live virtual chat with a librarian
- Research assistance
- One-on-one student appointments
- Single use and collaborative study spaces
- Interlibrary loan services
- Print and electronic research materials
- Course reserves (This includes textbooks. North Campus reserves are in the Academic Success Center, and Central and South Campus reserves are in the library.)
- Archives and Special Collections (located at Central Campus)
