

BC NAVIGATE

Navigating college doesn't have to be complex. Let BC Navigate be your personal guide from your first term to graduation at Broward College. It offers crucial resources and timely reminders right at your fingertips, including Academic Support, Career Planning, and Financial Aid.

Stay informed about key deadlines and essential updates by opting in for text message alerts.

Schedule appointments easily with your assigned academic advisor through myBC by accessing BC Navigate under the Resources tab.

Discover academic programs and career paths tailored to your goals. Monitor and update your academic plan to streamline class registration each semester via One Click Registration in BC Navigate.

Key Features:

- To-Dos and Events: Check your To-Do list after logging in to see immediate priorities.
- Appointments: Schedule meetings with your academic advisor to keep your academic plan current.
- Resources: Access vital college information under the Resources tab, including contact details for your success team.
- Hand Raise: Signal for help by "raising your hand" in the system, connecting you directly to college services.
- Surveys: Participate in college surveys and provide your feedback.
- Holds: Check for any registration blocks.
- Class Schedule: View your registered classes in list or calendar format, aligning with your academic plan.
- My Major: Explore majors and careers that match your interests by answering a few questions.
- Account: Update your profile and preferences to receive notifications via text or email.
- Study Buddies: Join a study group for your course to meet and collaborate with peers.
- Planner: Manage your courses and academic plan through the Planner feature, where you can add or remove classes as needed.

BC Navigate is designed to make your college life easier and more connected. Start navigating your path to success today!
