

SEAHAWK OUTREACH SERVICES

The Mission of Seahawk Outreach Services (SOS) is to provide wrap-around services and holistic support to students by connecting them to key campus resources and referring them to community organizations.

The goal of SOS is to help reduce food and housing insecurities, stress/mental health challenges, homelessness, and financial obstacles among our student population.

SOS provides the following services:

- Coordinated Care—SOS provides a case management approach to assisting students to ensure students' basic needs are being met so that students can concentrate on achieving their academic goals.
- Community Support—SOS connects students with appropriate community resources to address challenges related to food and/or housing insecurities, financial crisis, domestic abuse, legal issues, aging out of foster care, etc.
