

# TECHNOLOGY SERVICES

---

Broward College provides a wide variety of technology services for our students. We provide access to high-speed Internet on campus in our open computer labs, our academic success centers, and college-wide WiFi for our classroom laptop carts and students who bring their own devices.

Our students have access to email and cloud storage using Office 365 and access to the Microsoft Office suite for their personal devices while attending Broward College. Online learning is facilitated using Brightspace by D2L and Blackboard Collaborate. An online helpdesk system is available 24 hours a day, seven days a week if a student encounters a problem accessing these services on the College premises or remotely.

Information Technology provides and supports the following student services:

- All computer labs and software
- Printing and scanning
- Email systems (Office 365)
- Learning Management System and Online Learning Technologies
- Online transcripts Fee payment systems
- Helpdesk for students (password resets and online access)
- College-wide high-speed Internet access (WiFi)
