

MAMMOGRAPHY, ADVANCED TECHNICAL CERTIFICATE

Program Code: 4288

Career Pathway: Health Sciences

Location(s): General Education Courses are offered at all BC locations.

Program Entrance Requirements: The Mammography Advanced Technical Certificate is designed for working professionals who have a current professional credential from ARRT and have completed an A.S. degree, or higher, in Radiography from a regionally accredited institution. This is a limited access course and requires an application for admissions based on the entrance requirements listed above.

Program Description: This course prepares the student with knowledge and skills in Mammography. The program will provide a comprehensive curriculum in the study and clinical practice of Mammography, including evolving technical skills. Graduates are eligible to take the American Registry of Radiologic Technologists (ARRT) mammography certification exam. Visit the program's website for additional information. <http://www.artt.org/>.

Additional Program Information: Program applicants who have prior criminal proceedings, disciplinary actions were taken by a state or federal regulatory authority or certification board, and/or honor code (academic) violations should initiate an Ethics Review Pre-Application process with the ARRT prior to starting the program. This review process is done to avoid potential denial of eligibility to take the exam or delays when applying to take the certification exam. Applicants should visit the ARRT Website at www.artt.org for further information. In order to successfully progress through the Radiography Program, students must achieve all cognitive, affective, and psycho motor objectives.

Course	Title	Credits
RTE2860	IMAGE PRODUCTION IN MAMMOGRAPHY	3.00
RTE2861	MAMMOGRAPHY PROCEDURES AND PATIENT CARE	3.00
RTE2862	CLINICAL EDUCATION	3.00
Total Credits		9

Students are strongly encouraged to meet with an advisor (<https://students.broward.edu/resources/advising/>) to create a personalized educational plan.

PROGRAM HIGHLIGHTS

CREDIT FOR PRIOR LEARNING

Accelerate your path to completion with these options:

- Credit by exam
- Earned industry certifications
- Prior Learning Assessment
- And much more...

RELATED INDUSTRY CERTIFICATIONS

Upon completing this ATC, graduates will be eligible to sit for the following industry certification:

- American Registry of Radiologic Technologists (ARRT) registration in Mammography Exam. Individuals who successfully pass their examination receive a certificate that confers upon its holder the right to use the title Registered Technologist and its abbreviation RT(R) (M).

Externship experience

Clinical assignments are scheduled in local hospitals. The clinical component includes some evening rotations during the second year of the program. Also, explore hundreds of career videos and career profiles through Virtual Job Shadow.

- Virtual Job Shadow Tool (<http://www.broward.edu/studentresources/career/Pages/default.aspx>)

MEDIAN WAGE AND JOB GROWTH OUTLOOK

Broward College has Career Coach! (<https://www.broward.edu/careercoach/>) It is designed to help you find a good career by providing the most current local data on wages, employment, job postings, and associated education and training.

FUND YOUR EDUCATION
